

## UK Price Guide Printed & Inkjet QSLs Prices in pounds sterling

You will receive a proof of your new card by email – or post if you prefer.

After accepting this proof we aim to print and ship your cards within seven working days.

All deliveries are sent by Royal Mail. Average delivery time 3/4 days.

We have 4 categories of printed QSLs – these fall within 3 price bands.

### BAND A singles

Colour single sided QSLs – Factory, Map & US specials – no customising.

We add your callsign, name and address. Also, we'll gladly add a logo or two, grid references etc., at no extra charge.

### BAND B custom singles / photo doubles

Custom single sided cards based on your design ideas including pictures if you wish or customising of our colour Factory, Map and US specials.

Photo double sided QSLs with colour picture supplied by you and any of our greyscale Factory, Map or US specials – uncustomised – on the reverse. Also includes adding a logo or two, grid references etc., at no extra charge.

### BAND C custom doubles

Highly customised cards with any combination of photo/s front and/or back with our one-off artwork and/or your design ideas prepared.

All artwork for all cards will be prepared by us.

Prices include all design, artwork, proofing, printing and postage.

### BAND A singles

### SECURE ON-LINE ORDERING

Your orders are processed by PayPal.

All major credit and debit cards are accepted, American Express, Mastercard, Solo, Switch, and Visa.

PayPal do not disclose your card details to anyone, including us.

On the completion of your order PayPal sends you an email - your receipt - which includes an order tracking number.

- Cards are semi gloss 250 gsm.
- All QSL cards are full colour, double sided cards have greyscale backs.
- We print using the latest digital technology, thus guaranteeing excellent reproduction quality.
- Full payment must be made in advance of any **printing** undertaken by us.
- A reprint discount is available on all custom QSL cards – they become Band A prices.
- All our QSL cards are 140 x 85 mm – 5.5 x 3.35 ins – 5 1/2 x 3 3/8 ins in size.
- **Order anytime 24/7 – you'll get a reply within 8 hours.**

### HOW TO ORDER ON-LINE

#### Single sided ready-made QSLs

Make a note of the QSL ID# (RH1/2), then on [www.qslfactory.com/orders/online.html](http://www.qslfactory.com/orders/online.html) click **printed** or **inkjet** as appropriate, and follow the links.

On the PayPal site, in the text box labelled **Comments/Instructions**, enter the QSL ID#, your callsign, and any card requirements – logos, locator number etc.

#### Custom and Picture QSL cards

Email us with your card requirements, making sure to attach any photos and layouts. We will produce and email a proof of the card for your approval. On acceptance of this proof, please place your order by clicking the appropriate links as above.

## INKJET QSL CARDS

Get great results from inkjet QSL cards by following the two golden rules.

**Always use your printer's highest resolution setting.**

**Always use photo quality inkjet paper.**

With a little work on your part you'll soon be cutting the cost of QSLs by at least 50 percent.

### INKJET QSL CARDS

Any Factory, Map or US special - with your details, logo, grid reference etc.

**£10**

### CUSTOM INKJET CARDS

Any Factory, Map or US special - customised, a photo QSL, or your own design.

**£15**
